SETTING OF ASSESSMENTS
Assessments are given in class. Your teacher will explain the requirements of each assessment and will use an Assessment Cover Sheet detailing the marking criteria. The Cover Sheet is also used to:

- record marks for your assessments with reference to marking criteria.
- to give you written feedback about your assessments.

ASSESSMENT DEFERRAL
Students who are unable to submit assessments on the scheduled dates may defer that assessment provided they have a valid reason and/or evidence. An approved Absence Justification will not automatically extend or defer these dates. Instead, students must fill in an Assessment Deferral form and submit it to the Director of Studies (English) within 2 working days from the last day of absence along with evidence. Once deferral has been approved, a new date for submission of the assessment will be set. It is essential that the student be present for the assessment on the new deferred date. There will be no opportunity to defer the assessment date a second time. Repeated failure to submit the assessment will result in a mark of zero being awarded for that assignment.

MARKING & MODERATION
Teachers are responsible for marking all course specific assessments for their classes. For the marking of assessments, teachers must go through a process of internal moderation. This means that another teacher will mark at least three of the assessments from your class so that your teacher can compare the marks that he or she has given with the marks that the other teacher has given (with reference to the marking criteria on the Cover Sheet). For seminars this may involve another teacher coming into your classroom to watch members of your class giving their seminars, or your seminar being videoed and moderated later.

RESULTS
Assessment results will be released to you within 14 working days of the assessment date or by the final Friday of the course, whichever comes first. Final overall results are rounded up to the nearest whole number and will be available on the final Friday of the course by 6pm.

RE-SUBMISSION OF ASSESSMENTS
Academic English students may resubmit one assessment per unit and the maximum mark possible for the resubmitted assessment is 50%. A seminar must be resubmitted at a time dictated by the teacher and should be watched by at least two teachers. Only cumulative totals count for Academic English 2 weekly essays so in practice some of these can be at fail standard and the student can still pass the whole assessment item.

FAILURE & REPEATING AN ENGLISH UNIT
A student is allowed to repeat the same unit twice. A third failure may lead to termination from the program.

Conditional One status - student has failed a unit once.
Conditional Two status - student has failed the same unit twice.
INTRODUCING ACADEMIC INFORMATION CONTINUED

A student on Conditional One or Two status will be closely monitored by the teacher and may be tasked to do additional work outside of class. The student will meet with the Director of Studies (English) regularly to discuss his or her progress.

FAILURE & REPEATING AN ACADEMIC ENGLISH UNIT

A repeating student must complete all the assessments. If a student scores a lower mark when repeating an assessment, the previous higher score can be retained as long as the lower of the two marks is a pass. However, if a student fails an assessment which they previously passed, the failure must stand.

ASSESSMENT APPEALS

If a student is dissatisfied with awarded marks, he or she may submit the Diploma of English for Academic Purposes Assessment Appeal form to Student Central or the Student and Academic Services Officer within 10 working days from the result release. The appeal procedure will take up to 10 working days. The student will first meet with their respective teacher who will explain and discuss the assessment marks. If the student is still dissatisfied with the teacher’s explanation, the student’s assessment will be moderated. The Director of Studies (English) will make a final decision and the appeal outcome sent to the student through the Student Portal email.

PLAGIARISM

Plagiarism means presenting the work or property of another person as if it were one’s own without appropriate acknowledgment or referencing. Plagiarism constitutes academic misconduct and parties involved will be penalised accordingly.

Plagiarism is considered a breach of academic integrity, so it is necessary for staff and students to know what actions are considered to be plagiarism and how to avoid it.

Plagiarism includes:

- Copying of sentences, paragraphs or creative products which are the work of another person;
- Paraphrasing sentences, paragraphs or themes too closely;
- Using another person’s work/s or research data without due acknowledgement;
- Submitting work that has been produced by someone else;
- Copying or submitting computer files, code or website content in whole or in part without indicating their origin;
- Submitting previously assessed or published work for assessment or publication elsewhere, without permission or acknowledgement;
- In the case of group projects, falsely representing the individual contributions of the collaborating partners.

Curtin Singapore regards any act of cheating or dishonesty by way of plagiarism very seriously. There are strong penalties for breaches including annulment of results or termination from Curtin Singapore.
ACADEMIC INTEGRITY

Students at Navitas English enter an academic environment which is bound by certain rules of behaviour. Academic integrity refers to the fact that students must uphold certain principles and follow the rules of behaviour of the academic community. Navitas English is committed to ensuring that all students behave with academic integrity. 1.2 Withdrawal for Cause
Subject to Clause 1.8, the Student shall be entitled to immediately withdraw from the Course by giving written notice to the PEI of his/her intention to do so if the PEI is in breach of any of its obligations under the Student Contract or fails to perform its obligation(s) under the circumstances in Clause 1.1 (i) to (v).

1.3 Refunds for Withdrawal for Cause
For circumstances under Clause 1.1, the PEI shall, within seven (7) working days after notifying the Student, refund to the Student:
   i. The entire amount of the Course Fees; and
   ii. The Miscellaneous Fees (if any).

1.5 Cooling-Off Period
The PEI will provide the Student with a cooling-off period of seven (7) working days after the date that the Contract has been signed by both parties.

The Student will be refunded the highest percentage (stated in Clause 1.4) of the fees already paid if the Student submits a written notice of withdrawal to the PEI within the cooling-off period, regardless of whether the Student has started the course or not.

If the Student and the PEI cannot settle a dispute using the way arranged by the PEI, the Student and the PEI may refer the dispute to the CPE Mediation-Arbitration Scheme.

This Clause 1.5 takes precedence over the PEI’s refund policy stated in Clause 1.4.
1.6 Deemed Withdrawal
A Student who transfers from the Course to another course with the PEI shall, for the purposes of this Clause, be deemed to have withdrawn from the Course and the provisions of Clause 1.4 shall apply save as otherwise agreed between the PEI and the Student.

1.7 Change of Course
Further to Clause 1.6, a fresh PEI-Student Contract under this format shall be executed between the PEI and the Student for any change of Course, whether with the same PEI or otherwise.

1.8 Force Majeure
In the event that any party shall be rendered unable to carry out the whole or any part of its obligations under this Agreement for any reason beyond the control of that party, including but not limited to acts of God, force majeure, strikes, war, riot and any other causes of such nature, then the performance of the obligations hereunder of that party or all the parties as the case may be and as they are affected by such cause shall be excused during the continuance of any inability so caused, but such inability shall as far as possible be remedied with all reasonable despatch. For the avoidance of doubt, this Clause shall not apply to cases where:

i. The PEI is declared to be insolvent and/or a winding-up order made or bankruptcy issued by the Singapore court against the PEI (or, any partner of the PEI if the PEI is a partnership); and

ii. The relevant authority(ies) issue(s) an order to cease and/or terminate the operations of the PEI, or the happening of anything of a similar nature under the laws of Singapore.

1.9 No Double Claim
For the avoidance of doubt, if the Student and/or his/her parent/guardian receives any payment from the PEI or the Insurance Company pursuant to a provision of the Student Contract or the Master Insurance Agreement in respect of any matter or damage, then the Student and his/her parent/guardian shall not be entitled to claim against the PEI or the Insurance Company for the same payment in respect of the same matter or damage pursuant to any other provision of the Student Contract or the Master Insurance Agreement.

1.10 Jurisdiction
The parties hereby irrevocably agree that the courts of Singapore are to have jurisdiction to settle any disputes which may arise out of or in connection with the Student Contract which cannot be settled successfully through the Singapore Mediation Centre (SMC) or Singapore Institute of Arbitrators (SI Arb) and that, accordingly, any legal action arising out of or in connection with the Student Contract (“Proceedings”) may be brought in those courts and the parties irrevocably submit to the jurisdiction of those courts PROVIDED THAT nothing in this Clause shall limit the right of any party to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude that party from taking Proceedings in any other jurisdiction, whether concurrently or not.

1.11 Withdrawal of a unit
Where a student withdraws from a unit before census date, no fee liability is incurred. Any fees paid in respect of the unit will be retained as credit towards the next study period. Should a student request a refund of the tuition
fee associated with the withdrawn unit, the refund policy applies to the withdrawn unit.

1.12 Misconduct or fraudulent or forged material presented
In the event of misconduct or fraudulent or forged material is presented, no refund will be granted.

1.13 This policy, and the availability of complaints and appeals processes, does not remove the right of the student to take action under Singapore’s consumer protection laws.

1.14 Special Circumstances
In special circumstances the Pro Vice-Chancellor and President or nominee may increase the amount of any refund provided. If a larger refund is approved, a fee (up to S$550) may still be charged.

REFUND PROCEDURE
Students may apply for a refund by submitting an Application for Refund of Fees form to the Finance Counter. The form is available from Student Central. An application for refund will normally be processed within 7 working days from the date a complete application is received by the Finance Department. COMMITTEE FOR PRIVATE EDUCATION

Regulates private education to raise quality and standard

The Committee for Private Education (CPE) is the governing committee appointed by SkillsFuture Singapore* in 2016 to carry out its functions and powers relating to private education in Singapore under the Private Education Act**. CPE ensures the provision of quality education and protects all students throughout their course of study in private education institutions (PEIs) by:

- Regulating the private education sector;
- Providing student services for all students in private schools; and
- Facilitating capability development efforts to uplift the standards in the local private education industry.

Curtin Singapore complies with the regulations under the Private Education Act and all legislations enacted by the CPE.

Note:

* The SkillsFuture Singapore (SSG) is a statutory board under the Ministry of Education (MOE). SSG plays a key role in the quality assurance for private education institutions and adult training centres to ensure that students and working adults have access to high quality, industry-relevant training throughout life.

** The Private Education Act is an Act to provide for the regulation and accreditation of private education institutions so as to ensure the provision of quality education thereat and for matters connected therewith.

CPE’s two-tier regulatory regime comprises the Enhanced Registration Framework (ERF) and the EduTrust Certification Scheme (EduTrust). The ERF sets out the basic standards that private education institutions (PEIs) need to adhere to in order to operate; the EduTrust requires PEIs to provide a higher standard of educational services in order to be certified.

Enhanced Registration Framework (ERF)

The Enhanced Registration Framework (ERF) sets the minimum standards that all Private Education Institutions (PEIs) must meet through the mandatory registration requirements. The ERF examines a PEI based on the corporate governance, quality of provisions, and information technology.

Curtin Singapore has obtained 4-year ERF registration period.

EduTrust Certification Scheme (EduTrust)
The EduTrust Certification Scheme (EduTrust) is a quality assurance scheme administered by CPE for all PEIs, which aims to function as governing standards to recognise PEIs that are able to consistently maintain high standards in key areas of management and in the provision of education services.

Curtin Singapore has obtained 4-year EduTrust Certification.
